

Workshop Schedule

	Workshop	Submission
Week 3	Cadence Tutorial	
Week 4	Cadence: VCO and Cascode amplifier	
Week 5	Cadence: VCO and Cascode amplifier	
Week 6	Calibration	Students are to prepare and submit a group report on Cadence-based VCO and Cascode amplifier. Due on 31/08/2018 by 5 pm. Worth 5%.
Week 7	Matching	
Week 8	LTSpice-based Logic circuit simulation.	Students are to prepare and submit a group report on calibration and matching. Due on 14/09/2018 by 5 pm. Worth 5%.
Week 9		
Week 10		
Week 11		
Week 12		
		Students are to prepare a group report on LTSpice-based logic circuit simulations. Due on 4/11/2018 by 5 pm. Worth 10%
